PARENTS' CHARTER

We, as a Club, take on a commitment to ensure all players enjoy their football in a safe environment.

To achieve this both Parents and Players need to give a commitment in return, the Parent's Charter and the Player's Charter.

From Parents the commitment which we require is as follows:-

1. Never use foul language in front of any children or Team Managers
2. Please do not tell your child NOT to listen to their Team Manager whilst playing for the Club
3. Always encourage your child whilst playing, however, also respect that your Team Manager has asked them to play in a certain position. Please do not question the Team Manager in front of your child or any other children.
4. Whenever possible, try and accompany your child when they train or play for the Club.

To support you as Parents and Players we as a Club have in place the following policies and procedures.

1. If at any time you feel your child is being treated unfairly, please do not confront the Team Manager in front of your child or any other children. Approach the Team Manager and ask to speak to them about the matter of concern. Most problems are resolved at this point.
2. If you feel that the matter has not been resolved to your satisfaction, please contact one of the teams' Child Protection Representatives who will then take up your concern with the Club's Welfare Officer. The complaint will then be investigated and they will report their findings back to you following the investigation.
